Dear Mr. Marcil,

RE: Addendum No. "D" to Project 0100-DC-2003-I13

This letter is written in accordance to the Financial Assistance Award for the project referenced above. This is the fourth such Addendum letter issued by the Commission, and it is expected that this format will be used in future correspondence to clarify and further describe the scope of work previously funded through the Award.

The following is offered:

1. Please reallocate the \$10,000 identified for the "A/E Services for Large Clinics," per Amendment No. 1 to the award listed above. This reallocation is intended to correct the over obligation of \$10,000 that occurred as a result of a transposition of numbers in Addendum B to the award listed above, and the subsequent completion of sub-project awards based on Addendum B.

If you have any questions, please contact me at 271.1624, trinner@denali.gov.

Sincerely,

A handwritten signature in cursive script that reads "Tessa Rinner".

Tessa Rinner
Program Manager – Health Facilities

A handwritten signature in cursive script that reads "Al Ewing".

In Concurrence:
Al Ewing, Chief of Staff
